The screenshot displays the 'Manuscript Peer-Review Process' website. The header is dark red with the site logo and navigation links: 'About MPRP', 'Journals', 'Support and Training', 'Contact us', 'Track article status', 'Register', and 'Login'. On the right, contact information is provided: 'Email: support@editorialoffice@ipinnovative.com' and 'Support: +91-11-63364814, 63364815 | 9850436448 | 88'. The main content area has a light blue background and features the title 'Manuscript Peer-Review Process' in bold. Below the title, a paragraph describes the platform as a web-based portal accessible 24/7, offering editorial services like pre-publication, editorial workflow, and post-publication services. To the right of the text is a circular illustration showing a person at a desk with a laptop, surrounded by icons representing various aspects of the publishing process. Below the main text, a section titled 'Why MPRP?' explains that the platform manages authors, reviewers, and editors, and is an in-house product of IP Innovative Publication Pvt. Ltd. At the bottom, a small line of text states: 'If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your work.'

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of [Innovative Publication Pvt. Ltd.](#) which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
